AMERICA'S CUP HISTORY

One of our proudest achievements is being able to say that we were the homeport of ORACLE USA racing and the 6th trustee of the America's Cup. GGYC was the winner of the 33rd America's Cup and the Defender of the 34th and 35th America's Cup. Golden Gate Yacht Club now has the honor of being the first American winner since 1992, and the only American Challenger to have won since 1987. It has been an honor to have had the opportunity to partner with ORACLE TEAM USA through the original win in 2010 in Spain, the win again in 2013 in San Francisco, and the defense in Bermuda in 2017. GGYC has the honor of being only one of three US Clubs to hold the trophy in its history – New York Yacht Club, San Diego Yacht Club, and Golden Gate Yacht Club.

GOLDEN GATE YACHT CLUB

Located on a jetty east of historic Crissy Field and north of the Marina Green, at the end of Yacht Road in San Francisco, the Golden Gate Yacht Club sits as a tribute to those who have made the Club what it is today—a friendly, relaxing getaway for good friends, great boating, and a remarkable view. Like the "Cheers Bar", GGYC is a place where everyone knows your name!

The Club was founded in 1939 by a group of enthusiastic sailors and boaters. After the devastating Loma Prieta earthquake in 1989, dedicated members worked together to rebuild the Club into a showcase facility it is today.

YOUTH SAILING PROGRAM

The GGYC Youth Sailing Foundation's mission is to provide safe and fun youth sailing programs for all Bay Area kids. Our goals are to provide youth sailing programs that are fun, educational, and accessible. GGYC waterfront is a great place for student sailors to learn sailing, racing, and build lifelong friendships.

GGYC hosts four primary sailing programs: Opti Kids, Siebel Sailors Program, High School Racing and Club Sails.

Opti Kids is designed for 8-14 year old youth members sailing the Optimist dinghy.

GGYC is proud to announce a new partnership with US Sailing and the Siebel Sailors Program, together we will launch a landmark community sailing program at the GGYC for all Bay Area youth on the RS Feva XL. This Siebel Sailors program is designed for kids 10-15 years old, prior sailing experience is not required and scholarships are provided

for those that qualify. The GGYC High School Racing Program is open to the public and currently hosts teams from Lowell, School of the Arts, Drew, Galileo, and Riordan Archbishop. Junior Varsity students learn basic boat handling skills and racing rules on the collegiate flying junior (CFJ). Varsity sailors learn racing tactics on the double-handed CFJs and more advanced C420. When not training on the CFJ, GGYC youth members are encouraged to train on the club's fleet of C420s, RS Fevas, Lasers and J22s.
